

**UBC MM Summer 2024 Study Abroad Opportunities**

Updated Jan 18, 2024

UBC MM students are encouraged to participate in a summer study abroad program following the completion of Period 5 and the Capstone. Most programs take place between June and August. Summer Study Abroad is completely optional for MM students. Summer Study Abroad opportunities are grouped into 2 categories below. Each category comes with variations in the application and approval process, as well as costs.

**1) Robert H. Lee Graduate School Exchange Partner Summer Programs:**

These schools require a 2-step application process. Firstly, MM students need to apply to the RHL Graduate School Office, using our on-line application via the Go Global. **Applications are due February 11, 2024.** We will review your application, and if approved, nominate you to the selected school. You will then be required to complete paperwork and course selection directly with the school.

Please look at the following schools carefully. Depending on the program, there may or may not be additional fees/expenses.

## 2) Student-Researched Summer Programs:

We encourage MM students to consider other business-related summer study abroad programs. If you are interested in a particular country, city or university, and can find a suitable graduate-level program, please let us know. We will work with you to determine if it qualifies for MM credit. For these programs, you first need is to get our permission and then apply directly to the university offering the program meeting their specified deadlines. Below are two such programs, researched and attended by previous MM students.
