7th Aboriginal Math K-12 Symposium

MATHEMATICAL LANDSCAPES FOR RECONCILIATION

JOIN US

for the 7th Aboriginal Math K-12 Symposium for teachers, administrators, Ministry representatives, community members and academics interested in exploring, sharing and deepening understandings of commitments to reconciliation through mathematics education.

TOGETHER WE HOPE TO:

Share promising pedagogical practices that support Indigenous knowledges and pedagogies in mathematics classrooms.

Facilitate dialogue on possibilities and challenges deepening understanding of mathematics and Indigenous pedagogies.

Expand community connections to facilitate and support respectful relationships toward mathematics education for reconciliation.
