Pembroke Regional Hospital
Pembroke, ON

Dear Recruitment Services,

Subject: Application for 0-23-23 Registered Nurse-Surgical (Permanent Part-Time)

I am excited about the opportunity to submit my application for the permanent part-time position of a registered nurse on the surgical unit at Pembroke Hospital. I have nine years of experience as a registered nurse in acute surgical care and a postgraduate certificate in Advanced Critical Care majoring in Emergency Nursing. I also have two years of long-term care experience.

As a knowledgeable, compassionate, and versatile individual, working in a rural hospital has given me diverse skills that I believe will be an asset to your organization. In my role alongside patient care, I was also frequently in charge of the unit, delivering education to patients, new staff, and students, working on quality improvement projects, and updating policies and procedures. I am most proud of designing patient education personalized for bariatric surgery, creating individualized standing orders for various surgeons, and producing new and updated diabetes policies and procedures. I worked closely with hospital educators, multidisciplinary teams, and surgeons to develop pathways of care and care plans to improve client outcomes.

I have extensive experience leading interdisciplinary teams. Through these experiences, I have become exceptional at time management and organization and have developed strong interpersonal and verbal communication skills that apply to any team environment. Frequent interactions with patient's families, physicians, nurses, and management in the coordination of providing empathetic care to patients make me an excellent team player. Having worked on surgical units for nearly a decade, I have extensive knowledge about various surgeries and am passionate about obtaining the best patient outcomes. Surgery is stressful for most people, and I believe that teaching patients about pre and post-operative care, providing them with resources, and maximizing their preparation leads to their best experience.

I am confident I would be the perfect candidate for this position based on my skills and experience. Thank you for your time and consideration. I can be reached at 778 788-2804 or amyccoan@gmail.com at a time of your convenience.

Sincerely,

Amy McCoan
