

## Classroom management

- Being clear about general rules
- Have a clear structure
- How to get everybody (esp. Shy students) involved
  - o Connect with students
  - o Make students feel comfortable more around, eye contact, be comfortable yourself
- When there is a dominant student
  - o Jump in → facilitate by asking other students, use a dice
  - o Form groups → group consensus
- Guiding students to think – role
- Ask leading questions
- Dealing with disruptive students: circulate, gestures
- Enthusiasm – smile, jokes
