HEALTH & WELLNESS DIRECTOR

Camp Summit is an outdoor adventure, overnight camp located in the beautiful Upper Squamish Valley in BC. Summit is privately owned and operated by Geoff Park, and is one of the only privately owned camps in the province. Summer Camp has been described by many as a place where children and teens can go and be themselves, make lifelong friends and grow as individuals all while having a ton of fun. Every camper’s experience is different and each individual walks away from camp with their own, stronger, sense of self and belonging in the world around them.

CAMP SUMMIT’S SUMMER CAMP PROGRAM

Camp Summit offers 3 day, 5 day, 1 week, 2 week and 3 week long Summer Camp programs for children and youth 4-17 years old. We are an outdoor adventure Camp. Activities such as high ropes, the climbing wall, archery and our exciting mountain bike trails feed campers adventurous side while outdoor living skills, low ropes, geocaching and arts and crafts will feed their more creative and curious side.

HEALTH & WELLNESS DIRECTOR

From June 24 - August 28, the Health & Wellness Director will be responsible for the care of ill or injured campers or staff, distribution and management of camper’s daily medications, wellness of camp and related administrative duties.
