

# AURIOL GURNER YOUNG

*Memorial Award in Law*

The Auriol Gurner Young Memorial Award in Law is generously endowed in memory of Auriol Gurner Young for students in the J.D. Program who have made significant contributions to feminism and the law, for instance through academic achievement, volunteer work, community activism, or work with a feminist organization.

She was a remarkable woman with a lifelong love of learning and a great intellectual curiosity. In her 50's, Auriol started her university education, graduating with first class honours in 1983. She loved life, people and ideas.

Nominations or applications for the award must be submitted to Professor Debra Parkes by Friday, June 1, 2018. Please submit via email to [parkes@allard.ubc.ca](mailto:parkes@allard.ubc.ca). Please provide a letter explaining the candidate's contributions to feminism and law and attach the candidate's resume.
