What is Wine Survivor?

Outdraw, Outlast, Outpour! In the cutthroat game of wine survivor, contestants fight to be the last person remaining to win the final prize—a treasure trove of beer and wine! Unlike other versions of Survivor, you don't have to endure grueling conditions; all you have to do is donate to the UBC United Way campaign!

Throughout November, the BH United Way Campaign team will draw names at set frequencies. The person selected will be "voted off the island" and will be out of the game, unless they have immunity or an alliance! Names will be drawn until there is only one person remaining.

TIPS:

- *Get up to two immunity passes by donating one or two \$20 gift cards.*
- *If the name drawn has an immunity pass, another name will be drawn instead.*

Consider making an alliance with other participants. Alliances mean more chances to share in the winnings!

What can I win?

Don't miss out!
