

Welcome to 8675309 tech. Radio. No phones, only texts. Bringing you the latest hits and the greatest memories nonstop. Most of the time, maybe. Good afternoon, 2:00 PM club. Thanks for joining us on this fine Tuesday. So you know what that means. Texan trivia Tuesdays at 2, the radio hour dedicated to text technologies, the changing spaces of reading and writing. I'm your host, Jamie, and on this Tuesdays trivia, we have Browns big project and text technologies coming together to bring you some questions that can win you breakfast at Bill's Palace. Today we will ask you the listeners questions about what's. In this bag by giving you clues about the textual properties and technologies of the items within it. If you're the 7th person to text in with the correct answer, you in breakfast at bills and your name will be entered for the grand prize of dinner. Bills orders your limited \$20.00 and no specialty items allowed. So who's ready to play what's in this bag? First question. I generate, process, share and store digital texts. I can communicate with people near and far through textual and virtual dialogue. I helped to apply for and process digital applications and I send and receive textual documents and information. What am I?

OK, I see some texts coming in.

OK, OK, on the text line is Dobson with the answer of computer. Yes it is computer. Congratulations Dobson. Next up question #2. I am digitally generated, although you can hold me in your hands. I contain printed text and I'm often used recreationally. My textual world may let you escape into different worlds. What am I?

OK, OK, on the line is wilinski. And they came in with the answer of novel yes, willinsky, it is novel. Congratulations. OK, Next up, question #3I contain digital identification which is linked to larger systems of data storage and tracking. I may contain receipts created on computers and printed again displaying digital data systems. My cards have numbers stamped into the plastic that is raised and can be felt with one's fingers. What am I?

OK, lots of texts coming in for this one. Seventh on the line though is lundsford with the answer of a wallet. And yes, lemsford, it is wallet. Let's move on to question #4. I hold something that is necessary for life, but has the potential to kill you if ingested improperly. I come in many shapes and sizes, and for many different brands. People often like to put text labels and stickers on me to promote their brand or include uplifting or funny quotes. What am I? Hmm, this one might be a bit trickier. But 7th on the line is mcluen with the answer of water bottle. Awesome. Yes, water bottle. We thought that one might have stumped you guys.

Moving on to question #5. I am a digital technology containing text and text. I can participate in a multitude of textual technologies, including social media and social applications, creating digital texts about life experiences and work. What am I?

OK OK, I see some texts coming in and then 7th on the line this time is postman. And postman, what do you have for us? You wrote phone? Yes, phone is the correct answer. Well done. Moving on to question #6I hold textual schedules, plans, ideas, and appointment meetings. I am colorful and vibrant with highlighters and stickers possibly. What am I?

This one might be a bit trickier. We don't have as many texts coming in out here. They're coming. OK, OK, on the line is Havelock with the answer of a planner. Yes, it is a planner.

Well done. We thought that one would have stumped you too. Well done. OK, let's move on to question #7. I have text on my packaging that reveals my brand, ingredients and possibly where I am made. I am chewed but not eaten.

Yes, lots of you guys coming in on the text line. line. is prensky with the answer of gum. Yes, gum. Question #8 I changed the mode by which you engage with text. I allow you to engage closely and privately with lyrics, books, digital conversations, and podcasts. What am I? OK, I changed the mode by which you engage with text.

Hmm.

OK, this time 7th on the line is Tapscott and they gave us what is audio books. Not quite tapscott. So this time we're going to go to. 14th on the text line. And we have WESH with headphones. Yes, good job. So headphones is the correct answer, changing the modes so getting to listen to it. Awesome. OK, question #9. I am an artist, a writer, and an architect. Among many other things, I come in many colors, shapes, and sizes. Interestingly, I can also be used for pointing and gesturing, although these are less common uses. I may be considered a descendant of the Ogg textual tool. What am I?

OK, this one. Coming in on the text line at is NLG. They said what is a pen? Yes, correct, it is a pen, the original textual tool. Possibly or a descendant of. Well done. OK. Question #10 last question last chance to win that breakfast at bills. I'd be entered for dinner at bills. Is based on all the previous questions and answers. What type of beg is this or who may this beg belong to? So we will accept either answer. So either what type of veg or who this big may belong to? OK, I'm just gonna give you guys a second to text in.

Texting in UH 7th is Jamie and Ohh shares the name Nice. And they said a work bag of a teacher. Nice. I wonder if she's a teacher. Well done. So congratulations to all the winners of today's text and trivia Tuesdays at 2:00. If you missed today's game and we'd like to catch up, head on over to our Facebook page to see the questions and answers and join us next week when we when we hit you with trivia on music from NASA's Voyager Golden Record. Oh, that sounds like an interesting one. Hope to see you there. So bye for now. And taking us out is.
