*Horizons* audio for the textbook, especially vocabulary

- Audio files in a chapter of your ebook do not always open automatically when you click on the symbol
- Here is where you can locate and download them, save them as mp3 files, and play them at your leisure (listen to them in the bus on your 'phone etc.)

# In iLrn, go to “Media Library”

The screenshot displays the iLrn Language Learning Center interface. At the top, the header includes the text "Manley | Smith | McMinn | Prévost" and "HORIZONS Sixth Edition" on the left, and "iLrn® Language Learning Center" and "Instructor: Juliet O'Brien | Course: FREN 101: Section 101 (Chantal Phan)" on the right. Below the header is a navigation bar with links for "ANNOUNCEMENTS", "VOICEBOARD", "SHARE IT!", "TUTOR", and "HELP".

The main content area is titled "Chapitre préliminaire: On commence! > Media Library P". A blue banner with the text "On commence!" and a purple square containing the letter "P" is positioned above the "AUDIO LIBRARY" section. The "AUDIO LIBRARY" section contains a list of audio resources, each with a play button icon and a link:

- FREN 101: AUDIO FLASHCARDS = all the vocabulary from the chapter, in one synthesised list at the end of that chapter
- In your ebook, at the end of a chapter, you will see that the last two pages are a synopsis of that chapter's vocabulary. (From ch. 1 onwards, there is also a grammar synopsis just before.)
- There's a little audio symbol that doesn't always work on all devices, operating systems, and browsers. It links to the very useful audio flashcards.
