

FREN 101: iLrn guides
e-flashcards for vocabulary practice

Suggestions for using flash-cards:

- Alone, for self-testing
- In pairs or groups, for testing each other as practice before a chapter test, the midterm exam, or the final exam
- In pairs or groups, as regular vocabulary reinforcement: ex. you might meet up with colleagues from class once a week, have coffee/tea together
(avec des camarades de classe au café)
- Flash-cards can be turned into many kinds of games (*des jeux ; jouer aux cartes*)

Slow route

1. Go to eBook
2. Click "Contents." A new window will open.
3. Click "Contents", then in the drop-down menu, the requisite chapter
4. Another drop-down menu will open out of that. Scroll down to the end and click "vocabulaire"
5. At the top of the page that opens (exactly as the book: ex. for ch. 1, p. 62), you'll see four icons. The one on the left represents a stack of cards; when you hover your mouse there, it'll say "review vocabulary." These are the flashcards. Click.
6. Another window will open; you can now go through the cards.

Fast route: quick links...

1. First, log in to iLrn

2. Next, in a new browser tab/window, open the link to the chapter compétence required: links follow on the rest of the slides...

To review all the vocabulary for a chapter, open all four compétences' e-flashcards in four tabs.

Or whatever other method best suits your purposes and preferences...
