

SEMAINE 3 (du 16 au 20 septembre): GROUPES "A"

WHAT TO DO:

1. Find a computer, sit down, open a browser, and go to <http://hlc.quia.com/books>
2. Don't log in as yourself, like you do for online exercises; you will receive directions on what to do next...
3. Click the option "A groups (weeks 3, 5, 7, 9, 11)"

- **The first 10 minutes = comprehension practice**

|-----------|-------------------------------|-----------|
| WB P.22 G | if you finish early, then do: | WB 1.12 C |
| WB P.32 C | | WB 1.12 D |
| WB 1.12 A | | WB 1.12 F |

- **TEST: dictation and compréhension (starts at 15 minutes past)**

A text in French will be read out to you. Write down in French what you hear. The dictation will be read out in the traditional way: once through; then twice slowly, phrase by phrase; finally once more through for rereading and correction.

You will then have some questions to answer in English.

When you have finished, hand your test in to your lab monitor; they will convey tests to the section instructors; your instructor will mark your test and return it to you in class the next week.

- **Extra pronunciation practice exercises (last 5 minutes or so of class)**

WB P.32 A
WB P.42 D
WB 1.12 B

You may finish any remaining practice exercises at the end of the lab session, or continue them outside class.
