

TransLink Job Posting

Job Title: TL Student Transportation Planner – FTT (approx. 3 months)

Job ID: 20140260

Location: Lower Mainland

Full/Part Time: Full-Time

Regular/Temporary: Temporary

Marketing Statement

The South Coast British Columbia Transportation Authority (TransLink) is one of Canada's most innovative transportation authorities and our responsibilities continue to grow. It is our unique task to move people and goods in an integrated road and transportation network, while preserving & enhancing Metro Vancouver's quality of life.

Responsibilities

The Student Transportation Planner may undertake planning, coordination, research, analysis and communications tasks in support of a broad range of planning projects and initiatives, including best-practice review, literature reviews, research projects, policy review, drafting of reports/memos, preparation of presentations, data collection, synthesis and analysis.

Qualifications

Requires completion of a minimum of two (2) years post-secondary education in an undergraduate degree program in a discipline related to urban planning/design, planning, geography, environmental studies or other related discipline. Must still be enrolled. Completion of courses in office procedures, word processing, database and spreadsheet software.

EXPERIENCE:

Requires up to (3) months previous experience in planning related, data collection, data analysis, research and graphics software and a further period of one month on the job to become familiar with TransLink's Regional Transportation Network.

Other Information

Current projects include: developing long-term regional transportation strategies, measuring vehicle kilometers travelled (VKT), mobility pricing, fuel sales modelling, and transit ridership analytics and forecasting.

An applicant will be required to demonstrate their suitability for this position by meeting the minimum level of qualifications and experience in order to be invited into the selection process. A standard interview format will be used including general, scenario and behavioral descriptive interview questions. Please note: An equivalent combination of education and experience may also be considered.
