***Knock* Whoa, there's knocking. #imtired. If I kept the gates of hell, I'd have to let a lot of people in. In the name of the devil, who's there? Maybe a farmer cuz he's not making money. Hope he brought a towel, he's going to sweat. #playingaround**

It makes your nose red, makes you sleepy and needing to pee...a lot. It also makes you horny...but you can't perform ;) It's like a con artist, makes you go up but you can't get off. Makes you want to do it, but you just get sleepy and need to pee.

@loyalguy Yeah it did! It made me sick. But I got even with drink. I was too strong for it. Although it weakened my legs and made me unsteady, I managed to barf it out and laid it flat on the ground.
