

# Math & Science Fair 2011

*Presented by UBC Faculty of Education*

Science and Mathematics Educators and students from the [Department of Curriculum and Pedagogy](#), [Teacher Education Program](#) and the larger [Faculty of Education](#) community at UBC invite guests from 5 to 105 years old to help us celebrate science and mathematics teaching and learning at UBC Faculty of Education through active participation in exciting hands-on and minds-on science and mathematics activities suitable for all those with curious and inquiring minds. Parents, children and teachers are welcome to attend! The event is FREE.
