Dear Kimberly,

Please consider my application for a Active Kids Multisport Coach opportunity at UBC, as listed on the UBC Kinesiology Outreach website. I am currently completing my third year at the UBC Bachelor Kinesiology degree program.

Throughout my time in university, I volunteered at a nursing home which taught me a lot about patience with others. Additionally I was also an assistant coach for golf intramural, outdoor camp leader for middle schoolers and an team player and captain in different sports teams. Throughout these experiences I've built stronger leadership roles, collaboration skills, as well as developed the interest of sport education. I love working with younger kids and helping them achieve something individually and together as a team. I was also an volunteer for the UBC Active Kids Gymnastics program which was a wonderful opportunity for me to learn about physical education for kids and develop skills to help others.

I hope this letter reflects my enthusiasm for the Active Kids Multisport Coach Outreach program, and I look forward to the opportunity to aligning with my passions in education with sports as well as collaborating with others.

If my background meets your needs, please email me at sonjatang1811@gmail.com to arrange an interview at your convenience.

Thank you so much for your time and consideration.
I'm looking forward hearing from you soon.

Sincerely,

Sonja Tang
