## THE STUDIO

- An international team
- A mix of disciplines
- Ethical, Open and Transparent

## DESIGN FOR STUDENTS

- Student Centre Values
- Example of UIC
- Student's leadership
- Interaction and learning
- from each other

## LEED PLATINUM & BEYOND

- Creating New Standards for the Building Industry
- Denmark a leader in Sustainable Design
- SKI invited to address UN Climate Change Conference

## STUDENT INFLUENCE ON DESIGN

- We ask to inspire you by
- Grabbing your attention and give you a good experience
- Learning from you and telling you about how we see things
- Influencing the project with your ideas
- Making sure that when we take action we do it right!
