COPYRIGHT POLICY

Authors who publish with this journal agree to the following terms:

- (1) Being an open access journal, UBCUJP will apply the Creative Commons Attribution-NonCommercial-NoDerivatives License <http://creativecommons.org/licenses/by-nc-nd/3.0/legalcode>, to all published works. Under this license, authors retain ownership and copyright to their article, but allow anyone to download and share articles in the UBCUJP, so long as the original author(s) and sources are cited and the works are not used for commercial purposes or altered in any way;
- (2) The Author(s) grant the UBCUJP the right of first and exclusive distribution of the published work in print and/or online. Authors are able to enter into separate, additional contractual arrangements for the non-exclusive distribution of UBCUJP's published version of their work (e.g., post it to an institutional repository or publish it in a book), with an acknowledgement of its initial publication in UBCUJP;
- (3) The Author(s) warrant that permission to publish the article has not been previously assigned elsewhere;
- (4) The Author(s) warrant that the contribution is original to them, except for any copyrighted material of others incorporated in it, and that the Author(s) will advise us of any material, either text or illustration or graphical, the rights for which are controlled by others. Where necessary, the Author(s) will obtain, before publication and at their expense, permission in writing from the owner of the copyright in that material for publication by us.

UBCUJP gives authors the option of whether they want their article published online.

All authors must agree by circling "YES" below for UBCUJP to publish their article online.

SUPERVISOR PERMISSION (for research papers only)

Since undergraduate research is typically carried out under the supervision of a graduate student or faculty member as principal investigator (PI), their permission is needed in order to:

- 1) submit the paper for review and publication
- 2) approve the listed authors and their order

I certify that I was the PI on this project and give my student permission to submit this paper for publication in UBCUJP with the authors listed on page 1:

AUTHORSHIP

To be given authorship credit in the UBCUJP, there must be substantial contributions to:

- (1) Conception and design, acquisition of data, or analysis and interpretation of data;
- (2) Drafting or critically revising the article for important intellectual content; and
- (3) Final approval of the version to be published.

All persons who qualify for authorship should be listed. Each author should have participated sufficiently in the work to take public responsibility for appropriate portions of the content. Acquisition of funding, collection of data, or general supervision of the research group alone does not constitute authorship.

I certify that I meet all the conditions above:

DISCLOSURE OF CONFLICT OF INTEREST

Authors must acknowledge and declare any financial interests or affiliations with organizations that may profit or lose through publication of the submitted paper, or with any products or services discussed in the article. Declaring a competing interest does not necessarily exclude publication but will be conducive to the UBCUJP's goal of transparency.

If an author has no competing interests, please circle "NO" and sign below.

If an author does have competing interests, please circle "YES", and sign below, and please provide details as an attachment to this document.
