Job Posting

Title: Co-op, Software Developer, DevOps

Location: #5 East 8th Avenue, Vancouver, BC

Term: 4 months

Start Date: May 2023, summer term only

Openings: 2

This Job is for Students pursuing a Career in Computer Science, Software Development.

You'll work on a tight-knit team of passionate developers to build and maintain mission-critical cloud platforms that power our social media applications. You'll pair with a mentor and work at our Vancouver office side-by-side with a passionate, egoless team having fun building something bigger than themselves. Experience what it's like to make a difference in people's lives by building the products that our customers turn messages into meaningful relationships.

WHAT YOU'LL DO:

- Work with mentors to learn the craft of writing software - tools, automation services
- Work with mentors to learn to build our cloud platform using cloud native technologies
- Participate in code reviews to continually improve your craft and approach to problem solving
- Communicate by writing documentation, participating in meetings, and showing off your work at demos
- Iterate in an agile fashion; creating hypotheses and testing them with incremental changes

WHAT YOU'LL NEED:

- Experience shipping code or a demonstrated interest in programming or cloud technology
- A demonstrated history of creative thinking and collaborative problem solving
- A drive to complete things because you want to, not because you have to
- Collaboration and Teamwork: works with others to deliver results, meaningfully contributing to the team and prioritizing group needs over individual needs
- Courage: steps up to address difficult issues, saying what needs to be said
- Open Communication: clearly conveys thoughts, both written and verbally, listening attentively and asking questions for clarification and understanding

WHO YOU ARE:

- Tenacious. You are determined to succeed, and you are motivated by the success of customers, colleagues and the community.
- Curious. You are always learning and seeking ways to make things better.
- Conscientious. You keep your promises, taking your commitments to others seriously, and you have strong integrity.
- Humble. You lead with humility and empathy, respecting and learning from the perspectives of others.
