MBA Capstone Confidentiality Disclosure Statement

Sauder School of Business
University of British Columbia
Vancouver, BC

Preamble:

The Sauder School of Business requires, as part of its MBA Program, all students to participate in Capstone.

Students will be given sensitive and confidential information and the industry representatives have requested that all the documents and data provided by the industry representatives must be treated in a confidential manner.

In order to respect the wishes of the industry representatives, all students are required to sign the attached Confidentiality Agreement.

Confidentiality Required

1. Students agree that all information distributed in Capstone, in draft or final form, is considered to be of a confidential nature and must not be shared with other parties.
2. Students agree that all documents and data provided by the industry representative(s) to the student in Capstone will remain the property of the industry representatives, and that these will be treated as confidential information.
3. Students shall not be prohibited from disclosing any information obtained during Capstone if such information was in the public domain. All documents must be returned to the Graduate Programs office.
4. All information provided by the industry representatives will be destroyed after December 4th, 2013
