2. Career Track Requirements

At this time in your program it is highly recommended that you review the Track Requirements for the track you have declared to ensure that you will be fulfilling all required and elective modules for each of them.

- To check what Career Track you are registered in, log onto the Student Service Centre (<https://ssc.adm.ubc.ca/sscportal/servlets/SRVSSCFramework>)
To check the track requirements and what modules you still need to complete, you can print information sheets off the MBA Connect site or the [Current Students website](#).
