

UFOR 200 - *Design Charrette*

How do we design and retrofit a neighbourhood's urban forest to increase health and well-being benefits for residents?

Thursday, March 16th, 2017
9:30 - 10:50am

BC Hydro Decision Theatre,
Centre for Interactive Research on Sustainability
Stores road and West Mall, UBC

Please bring some pens and pencils to draw with. We will provide aerial maps and trace paper.
