

UBC MM Summer Study Abroad Opportunities – Summer 2023

UBC MM students are encouraged to participate in a summer study abroad program following the completion of Period 5 and the Capstone. Most programs take place between June and August. Summer Study Abroad is completely optional for MM students. Summer Study Abroad opportunities are grouped into 2 categories below. Each category comes with variations in the application and approval process, as well as costs.

Firstly, MM students need to apply to the RHL Graduate School Office, using our on-line application via the Go Global. **Applications are due February 27, 2023.** We will review your application, and if approved, nominate you to the selected school.
