# 8th Aboriginal Math K-12 Symposium

## Living Mathematics in Our Communities: Listening to the Land

Thursday May 17, 2018 | 8:30 a.m. - 3:00 p.m.

Sty-Wet-Tan First Nations Longhouse, 1985 West Mall, UBC

Please join us for the *8th Aboriginal Math K-12 Symposium* at the First Nations Longhouse, UBC on May 17, 2018. This symposium is an opportunity for teachers, administrators, Ministry representatives, community members, and academics to connect, explore, imagine and share new ideas, resources and research on Aboriginal mathematics education from kindergarten to Grade 12.

### Together we hope to:

- Learn about new research in mathematics and Aboriginal education
- Discuss and share approaches, research and educational projects for improving Aboriginal math education
- Develop community connections to facilitate and support improving Aboriginal math education

### Program Description

During the day we will work on activities that involve the connections of mathematics, students, and community. Participants will have opportunities to do mathematics, explore cultural connections, network with others, share stories, and discuss and share their research and teaching strategies with each other.

### AGENDA | 8:45 - 3:00

8:30 - 9:00	Pick up registration material Coffee/Tea available. Meet & Greet
9:00 - 9:15	Welcoming Remarks and Story
9:15 - 9:45	Circle Sharing Discussion - bring a rock that stories your mathematical pathways and questions about teaching and learning mathematics
9:45 - 10:15	Geometries of Liberation: Dr. Ed Doolittle, <i>First Nations University of Canada</i>
10:15 - 10:45	Listening to the Land Math Activity
10:45 - 11:00	Refreshment Break
11:00 - 12:00	Informal Sharing
12:00 - 12:45	Lunch is provided
12:45 - 1:45	Circle discussions in primary and secondary circle groups. Adapting activities for the students you teach? Connections to the IRP?
1:45 - 2:45	Informal Sharing
2:45 - 3:00	Wrap-up Discussion, Door Prizes
