

Inclusive Learning Community

Set yourself up for SUCCESS!

Did you..?

Observe the students in your classroom?

Is your classroom democratic?

- Are you working with your students?
- Providing opportunities for feedback?
- Do they have choice?
- Do they work together to solve problems?
- Are you holding them to a high degree of excellence?

Establish a classroom community?

- Implement the Respecting Diversity program?
- Multiple Intelligences?
 - Introduce
 - Community brain
 - Careers & independence
 - Valuing Diversity
 - Goal Setting
 - Brain & Disabilities

How did you plan?

Did you..?

- align topics with school terms?
- integrate into thematic units?
- sequence themes?
- determine essential understandings/big ideas?
- differentiate for multiple intelligences?
- universally design for all?
- provide discipline-based instruction?

How are you going to ASSESS?

- Is there opportunity for student input?
- Summative & formative assessment?
- Are you observing, conferencing, and establishing a portfolio?

REMEMBER!

Establish rubrics for Assessment FOR, AS & OF learning!

Don't Forget
