

## **SAP iXp Intern - Agile Developer, HANA and Analytics**

### **ABOUT THE JOB**

From the day you join, you will work with team members to find creative ways to develop and test features. You will also:

- Contribute to hands-on coding and design.
- Develop software end-to-end: elaborating requirements, coding features and automated tests, and troubleshooting and resolving production problems.
- Gain experience working on a codebase by figuring out and improving code.
- Embrace lean and agile software development principles.
- Develop, maintain and execute automated tests.
- Learn from others on the team through code reviews, sprint demos, knowledge sharing sessions and regular 1-on-1 coaching.
- Grow in leadership, presentation and other soft skills.

What you'll do:

- Position Title: SAP iXp Intern - Agile Developer, HANA and Analytics
- Location: Vancouver, BC, Canada
- Expected start date to end date: May 2, 2022 - December 30, 2022

### **ABOUT YOU**

Do you want to collaborate with a team to learn and contribute in solving complex problems?  
Would you like the opportunity to hone your skills while growing personally and professionally?  
Do you want to help us build our next generation cloud analytics platform in a fast-paced startup culture that has the stability of SAP?

We're looking for someone who

- Enjoys working on meaningful projects and is energized by lifelong learning.
- Dreams big and has a passion for delivering reliable and well-tested software.
- Likes to work with a motivated team who strives for similar goals.

### **Who you are:**

We're looking for someone who can challenge the status quo and likes to stay curious. You enjoy working on meaningful projects and are energized by lifelong learning.

### **EDUCATION AND QUALIFICATIONS / SKILLS AND COMPETENCIES**

- Currently registered in Computer Science or Engineering

- Ability to work well in a team as well as independently
- Possesses a positive self-motivated can-do attitude
- Working knowledge of HTML, CSS, JavaScript and/or Java
- Strong motivation to learn, teach, and grow
- Critical thinker with a passion for customers, engineering, and product quality
- Willing to commit for 8 months internship starting January 2021 at our beautiful SAP Vancouver office location

Qualified applicants will receive consideration for employment without regard to their age, race, religion, national origin, ethnicity, age, gender (including pregnancy, childbirth, et al), sexual orientation, gender identity or expression, protected veteran status, or disability.

Successful candidates might be required to undergo a background verification with an external vendor.

Requisition ID:324970 | Work Area: Administration | Expected Travel: 0 - 10% | Career Status: Student | Employment Type: Intern | Additional Locations:
