APF Net Curriculum 1

Sustainable Forest Management in a Changing World Course Schedule

As this is an online course, you can complete the topics and modules at your own pace. The speed at which you progress through the course will depend on a number of factors, including how well you can understand English, how much you already know about forest management, and how familiar you with the materials.

Start Week	Module/Unit	Core Ideas	Learning Activities				
Module 1 Forest Management - origin and organization							
1	Module 1 Topic 1 Origins of Sustainable Forest Management Module 1 Topic 2 A Canadian Variation	TBD	Review course introduction and overview materials. Read background information Watch online video lectures Investigate further resources Take topic 1 self-test. Read introduction and background information Watch online video lectures Investigate further resources				
2	Module 1 Topic 3 ITTO's Sustainable Forest Management Principles	TBD	Take topic 2 self-test Read introduction and background information Watch online video lectures Investigate further resources Take topic 3 self-test				
	Module 1 Topic 4 The Montreal Process	TBD	Read introduction and background information Watch online video lectures Investigate further resources Take topic 4 self-test Take Module 1 self-test				
Module	Module 2: Criteria and Indicators of Sustainable Forest Management 1						
3	Module 2 Topic 1 Conservation of Biological Diversity	TBD	Read introduction information Watch online video lectures Investigate resources Take topic 1 self-test				

4	Module 2 Topic 2	TBD	Read introduction information				
	Maintenance of Forest	100	Watch online video lectures				
	Health		Investigate resources				
	ricaitii		Take topic 2 self-test				
			Take Module 2 self-test				
Module	3: Criteria and Indicators of S	ustainable Forest Manag					
5	Module 3 Topic 1	TBD	Read introduction information Watch online video lectures				
	Soil Development						
			Investigate resources				
6	Madula 2 Tanis 2	TDD	Take topic 1 self-test Read introduction information				
6	Module 3 Topic 2	TBD					
	The Protection of Soils		Watch online video lectures				
			Investigate resources				
7	Madula 2 Tanis 2	TBD	Take topic 2 self-test Read introduction information				
,	Module 3 Topic 3	ושט	Watch online video lectures				
	The Hydrological Functions of Forest						
	of Forest		Investigate resources				
8	Madula 2 Tania 4	TBD	Take topic 3 self-test Read introduction information				
8	Module 3 Topic 4 Indicators of Soil and Water	ושט	Watch online video lectures				
	Conservation						
	Conservation		Investigate resources				
			Take topic 4 self-test Take Module 3 self-test				
			-				
Module	4: Criteria and Indicators of S	ustainable Forest Manag	gement 3				
9	Module 4 Topic 1	TBD	Read introduction information				
	Maintenance of Forest		Watch online video lectures				
	Ecosystem Productivity		Investigate resources				
			Take topic 1 self-test				
	Module 4 Topic 2						
10	I	TBD	Read introduction information				
10	Maintenance of Forests'	TBD	Watch online video lectures				
10	Maintenance of Forests' Contribution to Global	ТВО	Watch online video lectures Investigate resources				
10	Maintenance of Forests'	ТВО	Watch online video lectures Investigate resources Take topic 2 self-test				
	Maintenance of Forests' Contribution to Global Carbon Budgets		Watch online video lectures Investigate resources Take topic 2 self-test Take Module 4 self-test				
Module	Maintenance of Forests' Contribution to Global Carbon Budgets 5: The Social, Economic and C		Watch online video lectures Investigate resources Take topic 2 self-test				
Module Forest S	Maintenance of Forests' Contribution to Global Carbon Budgets 5: The Social, Economic and Coustainably	Cultural Aspects of SFM,	Watch online video lectures Investigate resources Take topic 2 self-test Take Module 4 self-test and the Legal Basis for Managing				
Module	Maintenance of Forests' Contribution to Global Carbon Budgets 5: The Social, Economic and Constainably Module 5 Topic 1		Watch online video lectures Investigate resources Take topic 2 self-test Take Module 4 self-test and the Legal Basis for Managing Read introduction information				
Module Forest S	Maintenance of Forests' Contribution to Global Carbon Budgets 5: The Social, Economic and Coustainably Module 5 Topic 1 Indicators Used in	Cultural Aspects of SFM,	Watch online video lectures Investigate resources Take topic 2 self-test Take Module 4 self-test and the Legal Basis for Managing Read introduction information Watch online video lectures				
Module Forest S	Maintenance of Forests' Contribution to Global Carbon Budgets 5: The Social, Economic and Coustainably Module 5 Topic 1 Indicators Used in Monitoring the Economic,	Cultural Aspects of SFM,	Watch online video lectures Investigate resources Take topic 2 self-test Take Module 4 self-test and the Legal Basis for Managing Read introduction information Watch online video lectures Investigate resources				
Module Forest S	Maintenance of Forests' Contribution to Global Carbon Budgets 5: The Social, Economic and Constainably Module 5 Topic 1 Indicators Used in Monitoring the Economic, Social, and Spiritual Values	TBD	Watch online video lectures Investigate resources Take topic 2 self-test Take Module 4 self-test and the Legal Basis for Managing Read introduction information Watch online video lectures Investigate resources Take topic 1 self-test				
Module Forest S	Maintenance of Forests' Contribution to Global Carbon Budgets 5: The Social, Economic and Coustainably Module 5 Topic 1 Indicators Used in Monitoring the Economic, Social, and Spiritual Values Module 5 Topic 2	Cultural Aspects of SFM,	Watch online video lectures Investigate resources Take topic 2 self-test Take Module 4 self-test and the Legal Basis for Managing Read introduction information Watch online video lectures Investigate resources Take topic 1 self-test Read introduction information				
Module Forest S	Maintenance of Forests' Contribution to Global Carbon Budgets 5: The Social, Economic and Coustainably Module 5 Topic 1 Indicators Used in Monitoring the Economic, Social, and Spiritual Values Module 5 Topic 2 Forest Governance and	TBD	Watch online video lectures Investigate resources Take topic 2 self-test Take Module 4 self-test and the Legal Basis for Managing Read introduction information Watch online video lectures Investigate resources Take topic 1 self-test Read introduction information Watch online video lectures				
Module Forest S	Maintenance of Forests' Contribution to Global Carbon Budgets 5: The Social, Economic and Coustainably Module 5 Topic 1 Indicators Used in Monitoring the Economic, Social, and Spiritual Values Module 5 Topic 2	TBD	Watch online video lectures Investigate resources Take topic 2 self-test Take Module 4 self-test and the Legal Basis for Managing Read introduction information Watch online video lectures Investigate resources Take topic 1 self-test Read introduction information Watch online video lectures Investigate resources				
Module Forest S	Maintenance of Forests' Contribution to Global Carbon Budgets 5: The Social, Economic and Coustainably Module 5 Topic 1 Indicators Used in Monitoring the Economic, Social, and Spiritual Values Module 5 Topic 2 Forest Governance and	TBD	Watch online video lectures Investigate resources Take topic 2 self-test Take Module 4 self-test and the Legal Basis for Managing Read introduction information Watch online video lectures Investigate resources Take topic 1 self-test Read introduction information Watch online video lectures Investigate resources Take topic 5 self-test				
Module Forest S 11	Maintenance of Forests' Contribution to Global Carbon Budgets 5: The Social, Economic and Coustainably Module 5 Topic 1 Indicators Used in Monitoring the Economic, Social, and Spiritual Values Module 5 Topic 2 Forest Governance and	TBD TBD	Watch online video lectures Investigate resources Take topic 2 self-test Take Module 4 self-test and the Legal Basis for Managing Read introduction information Watch online video lectures Investigate resources Take topic 1 self-test Read introduction information Watch online video lectures Investigate resources Take topic 5 self-test Take Module 5 self-test				

13	Module 6 Topic 1	TBD	Read introduction information
	Writing a Forest		Watch online video lectures
	Management Plan		Investigate resources
14	Module 6 Topic 2	TBD	Read introduction information
	Certification of Forest		Watch online video lectures
	Management		Investigate resources
			Take topic 2 self-test
