**BC Children's Hospital UBC Liaison / Fun Cart Volunteer Coordinator**

March 2014 – Present

*Vancouver, BC*

Interview applicants to ensure that they are well suited to work with children. Furthermore, provide the crucial training needed for volunteers to be fully prepared for encounters with children in a hospital setting. As a part of this role, took over the responsibility of one of the big volunteering programs, which runs through the entire hospital.

**Founder and President of BC**

Feb 2014 – Present

**Children's Hospital advocates (Club at UBC)**

*Vancouver, BC - UBC*

Founded this club at UBC. This Club is affiliated with BC Children's Hospital and is dedicated to fundraising, raising awareness about how people can help, and referring interested students for volunteering positions. Help host various events around campus and lead executive meetings. Collaborating with an elite group of executives allows the organization of successful club events all over campus.

**BC Children's Hospital Volunteer**

June 2013 – Present

*Vancouver, BC*

**-Fun Cart:** Work alongside 3 other volunteers to entertain children by offering them toys, games, and company as they wait in the outpatient clinics. The clinic visits range from ophthalmology to renal dialysis. The children interacted with range from birth until the age of 18. Children with disabilities are frequently encountered in this role.

**-Child Life:** Provide one-on-one entertainment to children suffering from dire illnesses. Most of these children are restricted to isolation rooms. Spending time with these children on a long-term basis allows for the development of meaningful and long-lasting relationships.

**Orientation Leader at UBC**

March 2013 – present

*Vancouver, BC - UBC*

A leader in the newly altered program where current UBC students make the transition into university for new to UBC students easier and more welcoming.

**WORK EXPERIENCE****Co-Founder and Admin of Petits Génies Childcare & Preschool**

Jan 2014 – Present

*Burnaby, BC*

Founded this childcare and preschool on January of 2014. Petits Génies is a licensed preschool and childcare with a French Immersion Program. Been on the administration team of the childcare since its induction. Often help out with various activities within the facility. Work closely with staff to help organize activities for the children and make sure to maintain a safe environment for the children to learn. Furthermore, currently responsible for being a sports teacher at the childcare. Have always loved being an athlete and wish to help others discover their interests and potentials in sports. During the time at this childcare, have dealt with a few children who were diagnosed with Autism. Was a great experience being able to work with these children and adjusting techniques used to be more inclusive and welcoming. Passion for working with children has only grown since the creation of the childcare.

**Imark Connect**

June 2013 – Sept 2013

*Burnaby, BC*

Completed assigned calls in a timely manner. Took surveys on the provincial elections and guided voters to the correct polling locations. Furthermore, trained and oriented new workers.
