

Goal:

By the end of the block you should have an idea on what you need to photograph and what you will be researching at the nature park. Create minimum of 10 "PLACE BASED RESEARCH QUESTIONS."

TASKS

- **Historian #1** -find information about the land --history and development
- **Historian #2** Watch this video and let your group know what you found
 - Write down all the principles from this video and make sure your group follows ALL of these rules when creating your survival schedule
 - <https://www.youtube.com/watch?v=Rpq01rO9ZR0>
- **Photographer & Recorder**-Read the brochures of Richmond Nature Park
 - https://www.richmond.ca/_shared/assets/Nature_Park_Brochure29802.pdf
 - https://www.richmond.ca/_shared/assets/Self_Guided_Nature_Walk_Brochure29763.pdf
 - What information can you provide for your group?
- **Entertainer:** take a look at the map, find the best place to start and where you could possibly build shelter and do your activities?

PLACE BASED RESEARCH QUESTIONS: (minimum of 10)

Remember you can ask the staff of the nature park AND take a walking tour of the park to find out where everything is.
