

Pacific Spirit Park Releve Resurvey Project

DIRECTIONS TO PLOTS:

A06: From the junction of Vine Maple, Salal, and Lilly of the Valley trails:

- go 40m southeast along Vine Maple Trail
- go 12m on a heading of 60° to plot centre

A07: From the junction of Salish trail and bicycle path on the southern side of 16th Ave:

- go 301m east along the bicycle path (this will take you to approximately 10m East of a bright red fire hydrant)
- go 122m due south to plot centre

A08: From the junction of Salish trail and the bicycle path on the south side of 16th Ave:

- go 104m along Salish Trail
- go 22m due north to plot centre

A09: From the junction of Salish trail and the bicycle path on the north side of 16th Ave:

- go 115m north along Salish trail
- go 16m due west to plot centre

B12: From the junction of Imperial Trail and Sword Fern Trail:

- go 45m west along Imperial trail
- go 600m due southwest along Imperial Trail
- go 107m at 340°
- go 85m due south to plot centre

B13: From the junction of Imperial Trail and Sword Fern Trail:

- go 170m north along Sword Fern Trail
- go 15m east to plot centre

C02: From the junction of Pioneer Trail and the bicycle path along Chancellor Blvd:

- go 270m west along bicycle path (look for pink flagging on salmonberry next to a large poplar)
- enter forest here and go 70m due south to plot centre
