English 301 Students

Hello and welcome to my English 301 blog. My name is Brianna Diogo and I am a 4th year BMM student, majoring in English Literature while taking my business classes simultaneously, and I am writing this application for a position on your writing team.

With a passion for marketing and PR, the application of my major with the Masters of Management allows me to explore ways of writing and communicating that captivate an audience and project clear and concise messages. I strongly believe that with my experience in the educational and professional worlds, I would be a great addition to your team. Please feel free to reach out about anything to do with writing, marketing or digital media, or just to connect.
