

Providence Health Care is Hiring! **PHC Employed Student Nurse (ESN) and Employed Student Psychiatric Nurse (ESPN) Program**

Providence Health Care's Employed Student Nurse/Employed Student Psychiatric Nurse (ESN/ESPN) program provides third and fourth year RN and RPN students with professional opportunities:

- Paid casual employment
- Flexible work shift scheduling
- ESN/ESPN role is supernumerary
- Experience using an electronic health record
- Full orientation and dedicated practice support
- Hands on experience supported by experienced nurses
- Working in a quaternary, academic, research institute
- Consolidating RN/RPN knowledge and skills
- Confidence

You can also apply your earned seniority towards your first job with us!

Job readiness will be enhanced through your ESN/ESPN experience while your transition to qualified nurse is supported by PHC nurse educators and interdisciplinary teams.

How Do I Apply?

We are now accepting applications for the 2023/2024 intake. Visit our careers website or scan the QR code below.

- Visit our careers website: careers.providencehealthcare.org
- Click "Apply Now" (If you're a new applicant, you can create an online profile by clicking Apply Now and following the steps presented to you)
- Upload your resume and answer all the pre-screening questions
- Submit your completed application

How Do I Qualify

In order to qualify for an ESN/ESPN position you must have:

- Successfully completed the equivalent of second year in a recognized nursing education program and Medical/Surgical clinical placement
- Maintain enrolment in the equivalent third or fourth year of the program
- Current student membership with BCCNM
- CPR Certification
