

## JOB POSTING

# SUMMER CAMP NURSE

Since 1956, thousands of campers and staff have made Camp White Pine their summer home. We offer a fantastic variety of land, water and creative activities. Our special events throughout the summer create memories that will last a lifetime. The world keeps changing, but at camp we maintain a down-to-earth, low-tech environment that allows kids to be kids. With staff training that focuses on inclusion and anti-bullying, we create an environment where everyone is valued and accepted in the group. We are looking for special people to come and join our team!

Camp White Pine takes pride in hiring a diverse group of staff every summer. All candidates will receive consideration for employment without regard to race, colour, religion, gender, national origin, age, sexual orientation, or disability.
