

VIRTUAL INFORMATION SESSION

Employed Student Nurse Program

Applications for the Employed Student Nurse (ESN)/Employed Student Psychiatric Nurse (ESPN) program at Vancouver Coastal Health (VCH) is now open for the 2024/2025 intake.

The ESN/ESPN program is a unique employment opportunity for nursing and psychiatric nursing students. It provides a nursing employment opportunity to work in a clinical setting of up to 400 hours of hands-on experience with pay. These hours will help you consolidate your theory and clinical skills, build on your nursing practice, participate as a team member and receive ongoing support. The program has a dedicated Clinical Education Team that supports and mentors you through your transition from student to nurse and can help guide your nursing career path.

INFORMATION SESSION DETAILS

Join us for an informative and interactive information session to learn more about ESN/ESPN opportunities in Mental Health, Community, and Long Term Care. Please ensure you have the latest version of Zoom prior to joining the session.

Date: Thursday, February 15, 2024
Time: 3 p.m. PST
Format: Zoom
