

We warmly invite you to the

# STUDENT ANTI-RACISM CAUCUS DIALOGUE SERIES

With guest speaker

**Ngoc Huynh** MSN RN PhD(c)

Ngoc's research interests are focused on children with complex care needs and their families, particularly those of marginalized communities.

Join us for an thoughtful discussion about structural barriers to anti-racism in nursing education.

For background information and to assist in facilitating a rich dialogue, please access the following article, [“We’d really love to but we’re really busy”: Silence, precarity and resistance as structural barriers to anti-racism in nursing education](#) (Bell, 2023)
