

Congratulations UBC Nursing Class of 2024 and Welcome!

The University of British Columbia Nursing Undergraduate Society (UBC NUS) is delighted to welcome you to the School of Nursing! You are about to become a part of an amazing nursing family and we hope to support each one of you as you embark on this exciting journey; one that will help you grow into nursing leaders of the future. This journey will be challenging but rewarding, and the School of Nursing faculty, staff, and students will be here to help you every step of the way.

As you enter the program in September, each one of you will become a member of the NUS, which is the nursing student society. The NUS council is comprised of a dedicated group of students who are elected by the student body. The NUS plans social and sporting events, offers student services and support, and works alongside faculty to promote a healthy academic environment. Every year, the NUS chooses a local charity to help fundraise for during the academic year. At the end of term one, there will be an NUS election where you can run for a position on the NUS council.

We at the NUS will strive to make your transition into our student community as seamless, exciting, and supportive as possible. In the past couple of years, we have transitioned to the use of Discord as our main source of communication. Be sure to join your cohort's Discord server to stay tuned for updates, program information, upcoming events, opportunities, and social happenings. This is the easiest way for communicating so we would encourage you to join even if you don't use Discord often. We will also be facilitating various communications and mentorship opportunities with upper cohort students through the servers to help answer any questions you might have; we will also reach out to you through the servers regarding the UBC school of nursing merchandise sale that is organized by our merchandise coordinator. Please also consider enrolling in our very own Canvas shell and following us on Instagram. Links to all social media accounts can be found below!

On behalf of the entire Nursing Undergraduate Society, congratulations on your acceptance and we look forward to meeting all of you! If you have any questions or concerns, please feel free to reach out to us at any of the social media accounts listed below. See you August 31st for Orientation!

Sincerely,
The Nursing Undergraduate Society Council
