

Society of Italian Researchers and Professionals in Western Canada

The society of Italian Researchers and Professionals
In Western Canada (ARPICO) presents

Café Scientifique

Greenest City Conservation Project:
about engaging citizens in climate change issues

Discussion leader: John Robinson, Ph.D

Professor with the UBC's Institute for Resources, Environment &
Sustainability, and the Department of Geography
Executive Director of the UBC Sustainability Initiative

How can citizens be engaged on sustainability projects?
Join us for a lively discussion with Dr. Robinson
on green energy projects and sustainability.
