

CHBE Grad Student Council January Financial Review

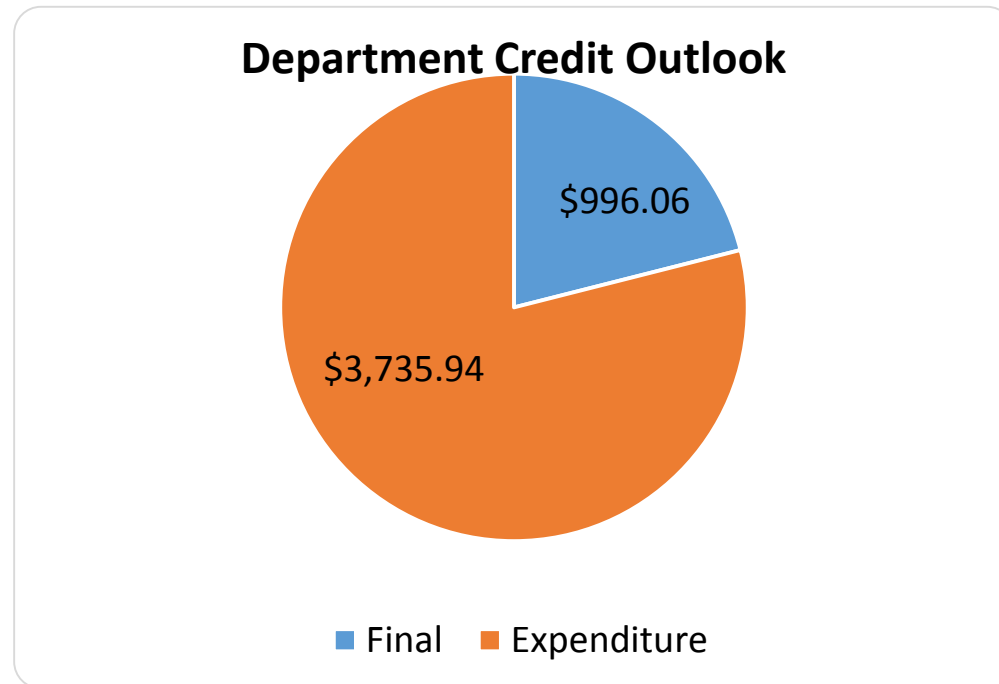

CHBE Grad Council Treasury

- We spent \$650 from ourselves; we collected \$777.
- Now we have \$876 in our Treasury.

Department Credit

- We have \$996 left to spend.

How do we want to spend the credit?

- Before that, do we want to spend the money
OR keep it for the next council?
- That brings us to the questions,
WHO ARE STAYING FOR THE NEXT YEAR's COUNCIL?
