

Definition of Class Activity Grades

Bowker Comm 390

Grade for Class Activities	/20			Definition
Below Expectations	BE	10	50%	Incomplete, or language problems interfere significantly with meaning
Minimally Meets Expectations	MME	12	60%	Covers the basic tasks outlined in the assignment, but to insufficient depth, and/or language problems interfere with meaning
Meets Expectations	ME	15	75%	Addresses all the tasks outlined in the assignment with sufficient depth. May have some small issues with language that do not interfere with meaning.
Meets Expectations +	ME+	17	85%	Clear and thorough covering all expectations of the assignment. Writing style is clean and engaging.
Exceeds Expectations	EE	18	90%	Provides a level of depth and sophistication that goes beyond what is expected at a 3 rd year level.

Note: Because it is more appropriate for the nature of the work, your Class Activity assignments initially receive the qualitative grade (i.e. "Meets Expectations") even though the numerical grade is eventually assigned.
