

What can we do? - Address the Reporting Gap

1) Obtain Hate Crime Data from Local Law Enforcement.

2) Put together a list of known incidents using media reports and nonprofit research.

3) Review police records and request incident reports where necessary.

Propublica's spotlight on the Westchester Database provides these and database building advice - <https://www.propublica.org/nerds/building-a-database-from-scratch-behind-the-scenes-with-documenting-hate-partners>
