

2015/01/07 RQ (8AM)

Using the G-S algorithm (with **men** proposing), is the person numbered by the rightmost (8th) digit of your student number **guaranteed** to get the best spouse they could in any stable match?

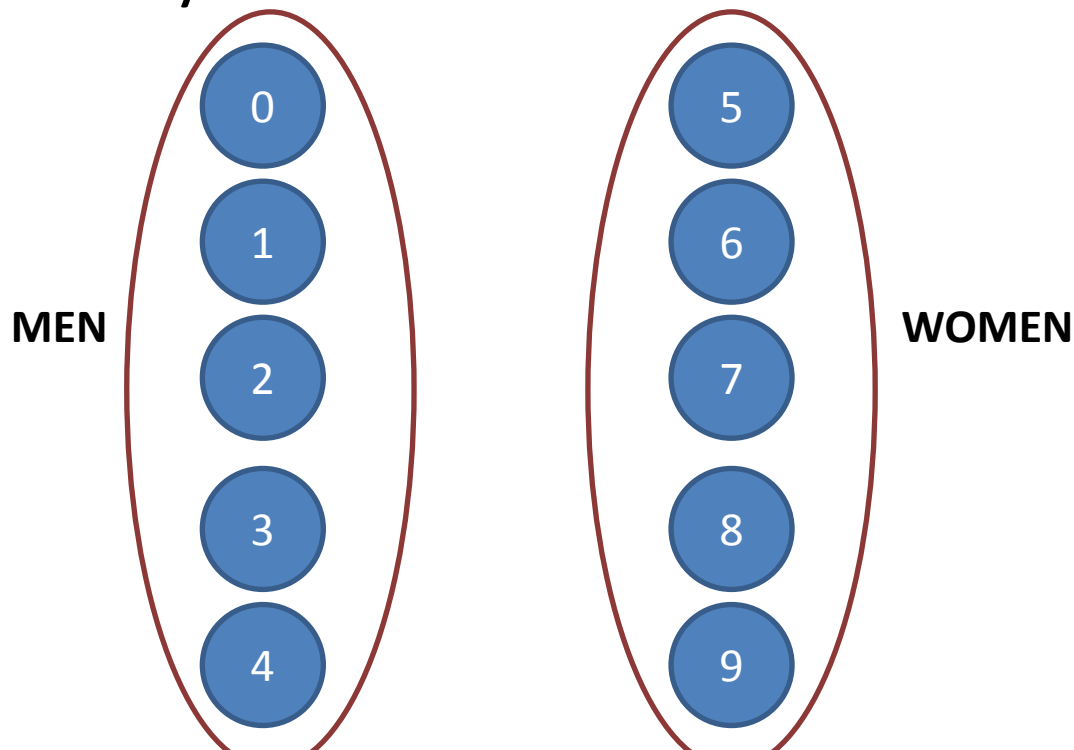

INCLUDE:
Your Name
Your Student #
"8AM"
Your Answer

(Brief explanation would be handy... but not marked.)

2015/01/07 RQ (11AM)

Using the G-S algorithm (with **men** proposing), is the person numbered by the rightmost (8th) digit of your student number **guaranteed** to get the best spouse they could in any stable match?
