Question:	What were the strengths of the course?
Response Rate:	66.67% (4 of 6)

- 1 Everything.
- 2 I liked being able to play with text as well as movement. It's nice being able to integrate the two.
- 3 Learning to work with the voice and develop the voice from within the body as well as learning new exercises that help in that development. Time in class was used well.
- 4 Denise is a very articulate, open, and effective instructor. She is a pleasure to work with. She describes very well the concepts underneath the physical work she is teaching, and that is very helpful for the student.

Faculty:	Kenney, Denise
Question:	What were the weaknesses?
Response Rate:	66.67% (4 of 6)

- 1 Nothing.
- 2 We would have to meet up outside of class, which was difficult since everyone's schedule clashed. It was hard making progress outside of class.
- 3 Again, having the classes separated turned them into two different classes and caused it to feel like a heavier course load.
- 4 Most of the students did not do their homework, and this made it really difficult to engage in group work. Denise could have pushed them more about this.

Faculty:	Kenney, Denise
Question:	What did you most enjoy about it?

Response Rate: 66.67% (4 of 6)

1	Denise Kenney.	
2	I loved working as a chorus member and playing with the grotesque.	
3	I really enjoyed the work on the voice and all of the chorus that we did with choreographing and speaking, or reciting lines, in unison.	
4	How clearly Denise explained the concepts she was teaching, so that I always felt like I understood and could therefore get the most out of each activity.
