

## Imagery

**I HAVE A  
DOG.**

**Imagery** is descriptive language, such as words or phrases, that make you think of your senses. Imagery is used in text to make it more interesting.

**I HAVE A NOISY, WET  
DOG THAT STINKS.**

Think of words or phrases that connect to the senses and write them in the boxes.

Sight	Sound	Smell	Taste	Touch	Other (emotions, temperature, movement)
