

Speech & Presentation Grading— HESO 449 *EcoHealth: Global Implications*

Presenter's Name: _____

Evaluator's Name: _____

Presenting Group: _____

Date: _____

CRITERIA	Emerging (0-17 points) (0-4)	Developing (18-24 points) (5-8)	Advanced (25-30 points) (9-10)	Score
1.Content and Knowledge	-presenter is off-topic; unclear purpose -information poorly compiled -inaccurate, irrelevant examples -cannot answer questions about information seen throughout presentation	-if presenter goes off-topic, they may not fully draw it back to main idea -some examples are unclear/not relevant -limited sources/examples -makes some effort to answer questions, but unclear explanations may be seen	-On-topic; logical, original ideas -well-researched, variety of sources/examples -answers questions concisely and effectively; clear explanations -cards/supporting speaking materials used for reference only	/30
2. Organization	-Main purpose unclear, difficult to identify -Lack of transitions, no flow -Undeveloped introduction, or too wordy/repetitive/vague -little/no apparent connections	-Main idea is presented, but ideas not clearly developed -transitions occasionally awkward, need strengthening -sequence of information unclear, audience has difficulty following	-Main points are clearly developed -natural flow of topics and examples -presentation is professional, well coordinated	/10
3. Audience Engagement	-unable to keep audience engaged -shows no/little interest in material presented	-able to keep audience engaged in general, but not consistently -shows some interest in material, but may lapse into reading off papers for disproportionate period	-able to keep audience effectively engaged -difficult terms defined, felt involved as an audience member to participate	/10
4. Creativity, Appeal & Media	-effort & creativity not evident -use of visuals insufficient or too detracting	-delivery effective for most part, but hesitancy observed -effort not sufficient -use of visuals are not enough to clarify material	-effective delivery, effort is evident -use of visuals is very useful; may be a variety of visuals	/10
TOTAL				/60

If points were deducted, please briefly explain why.
