Dear Ms. Carter,

SUBJECT: Application for Teaching English as a Second Language

Please consider my application for entry to the 2017 Teaching English as a Second Language to the Toronto District School Board (TDSB). I expect to graduate from the University of British Columbia (UBC) in April 2017 with a Bachelor of Dental Science in Dental Hygiene. Prior to beginning my degree at UBC, I completed diploma level studies in Dental Hygiene at Confederation College. During that time I was placed on the Dean's Honour Roll for my academic achievements (GPA 4.0).

One of my greatest commitments is passion for learning and teaching. Whether helping patients to learn about oral care and coaching them to apply these skills properly or teaching language to students so they can connect with others, requires excellent communication and the ability to connect with people with varied backgrounds. As a dental hygienist, I have worked in a variety of diverse practice environments which I found truly enriching and inspiring. This has prepared me well to work in a similar setting as a language teacher.

If you feel that I am a suitable candidate for your program, or have any questions, please feel free to contact me at (416) 321-3214 during the week after 4:00 pm or email me at ept583@gmail.com at your earliest convenience. I would welcome an interview to discuss my fit for the course of study offered by the TDSB.

Thank you for your time and consideration.

Sincerely,

Editha Tomaszewski
