

EDST RESEARCH DAY 2017

Call for Proposals

The programme committee for EDST Research Day 2017 invites students and faculty members to submit proposals for panel sessions or individual presentations. All students — Ph.D., Ed.D., M.A., and M.Ed. — are encouraged to submit!

SUBMISSION DEADLINE

February 17, 2017 (Friday)

EDST Research Day showcases and celebrates the rich educational research, practice, and theory being developed by the department's students and faculty. We welcome work in all phases of development, including projects that emerge from coursework, research conducted as Research Assistants or Principal Investigators, a section of a thesis, dissertation, or paper in progress. Students and/or faculty may also try out ideas that may be presented at a conference or other professional activity such as CSSE, CSSHE, CASAE, or AERA.

Each session should have at least one EDST student, but we encourage collaborations with faculty members in EDST and/or students from other departments.

Lunch and snacks will be provided for all participants on the day!

SESSION ORGANIZATION

Sessions will run approximately 75 minutes each, with a maximum of three presenters per session. Faculty members are encouraged to play an active role in each session (including acting as discussants, moderators, and mentors). We encourage alternatives presentation formats! Suggestions include:

- Round tables
- Paper presentation
- Art/performance
- Scholars' café
- Panel discussion
- Book session

We will have room for poster displays if that is your preferred format, or if you are unable to attend Research Day in person.

PROPOSAL REQUIREMENTS

A full proposal consists of:

- 250–500 word proposal or abstract
- AV requirements
- Presenters' names, department, and programme of study
- **For panel formats only:** brief summary of activities planned for the 75-minute time slot
