

RhymING out FEARS (from Freire's letter to those who dare to teach)

Feeling weathering understanding of fear,

facing difficulties not denying, allowing challenging situations  
overcoming fear,

becoming realizing being myself paralyzing and defining fear,

reading accepting allowing studying overcoming fear,

accusing taking accomplishing proclaiming browsing knowing  
completing unveiling fear,

making developing waiting reading writing re-writing fear,

coordinating insisting understanding not memorizing meaning using  
nothing causes fear,

awakening curiosity keeping unfolding banking learning mapping overcoming  
leaving fear  
and difficulty.
