

## Tutorial #1. Create an UBC VEC account

1. <http://blogs.ubc.ca/educationalvirtualworld/> in this website, please click “Register” or “Create a VEC Account” to start.

2. Type in your “virtual world” First Name, Last Name (It doesn’t need to be your real name) and password. For avoiding spammer, **please use your affiliation email address**. **Please remember your password.** (Currently, this system does not have the function to retrieve your password. If you forget your password, you lose your avatar and all the rights to the object you built by that object.)
