JOINING A CAREER FAIR 1:1 VIDEO CHAT

https://s31606.pcdn.co/wp-content/uploads/2020/04/Video-Chat_Mockup-743x495.j

1:1 Video Chats

Teacher candidates can engage in 1:1 or Group Video Chats during the Education Career Fair. If a teacher candidate is interested in specific employer, and or has specific questions for that employer, they often connect with employer through a 1:1 video chat.

Like past face-2-face Education Career Fairs where teacher candidate queued in a physical line to talk to an employer, 1:1 Video chats have students queue in a virtual 'line'.

Unlike waiting in a physical line the 1:1 career fair software indicates when your meeting is (and alerts you when your next in the queue) allowing you to explore other employment opportunities. Also virtual 1:1 video chats are timed thus eliminating the chances of one teacher candidate monopolizing an employer's time.

STEP 1: REQUEST A 1:1 VIDEO CHAT

- Navigate to the Employers Tab
- Select "Join Queue" button (green circle) beside an exhibitor's name
- As long as you are in a queue, remain in the Virtual Career Fair so you do not miss any 1:1 Video chat requests. Please do not close this window

Note: To leave a queue, select the "Leave Queue" button (red circle). You can join up to 3 queues at one time.

This student/alumni has joined 1 out of 3 queues

In this case, this student/alumni has joined Irene's Test Company queue and can see the estimated wait time for when they can speak with a representative

Because there are zero representatives online, the join queue button is not available. Instead, check if the exhibitor is hosting a Group Chat

STEP 2: ACCEPT A 1:1 VIDEO CHAT

- When a representative is ready to have a 1:1 video chat with you, you will receive a notification on top of your screen
- Select "Join Chat" to be brought to the representative's video meeting instructions

JOINING A CAREER FAIR GROUP VIDEO CHAT

Group Video Chats

Sometimes teacher candidates are are unsure if they are interested in an employer enough to book a 1:1 video meeting. For other teacher candidates, the process of recruitment is a new experience that may cause some anxiousness ina 1:1 setting.

For many teacher candidates, group video chats are less stressful settings in which to get to know more about an educational employer. It is also a good method for gathering information about an education employer before committing to a 1:1 meeting.

STEP 1: FIND GROUP VIDEO CHATS

- Select the "Employers" tab
- Click on an exhibitor's name to see their online profile
