Subject: Reference Request – Senior Risk and Financial Analyst, Credit Union

Hello Karthik,

I received an offer from the Financial Institutions Commission of BC of a position senior risk and financial analyst. I decided to accept the offer because it provides the opportunity to expand my knowledge from the regulator's perspective. FICOM requires 3 references and the reference will be conducted in the form of online questionnaire and should take about half an hour to complete. Do you think I could put your name as one of the references?

Please do not hesitate if you require additional information to complete the reference and I really appreciate your help with this.

Best Regards,  
Edwin Chen
