Dear Aritzia Recruitment Team,

I am writing to express my interest in applying for the position of Office Experience Head under the Employee Experience division.

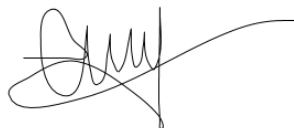

Having previously been exposed to the Human Resource industry, I now have a passion in contributing to a positive and healthy culture in the workplace. My experience in the Learning for Development team when I was interning at L'Oreal Indonesia has taught me to understand how to develop employees in order to work efficiently and effectively, as well as collaborating with different divisions and functions in the workplace to solve any disputes and/or tensions through a program I help contribute called, "Collab". This program enables two different teams to settle existing tension, and encourage them to collaborate in a project that benefits both. It leads to a better understanding and ultimately diminishing the tension.

My experiences in Korn Ferry as a Project Support Intern allowed me to understand the significance of space management in employees' performance. In Korn Ferry, I manage assessments for clients, and when you manage assessments, you try your best to create an atmosphere that allows clients to feel the most comfort. From this, I believe I can be a great addition to your team.

Currently, I am still undergoing my bachelor's degree but will be graduating soon. I am confident that I am able to put my best effort and contribute to your company's growth and success.

I hereby attached my resume and am readily available via phone or email. Please don't hesitate to reach out to me if you have any further questions. Thank you for your considerations and I am looking forward to hearing from you!

Sincerely,
